Keeping in the Loop

UPDATE YOURSELF!

You can find a Resident Information sheet in this newsletter. If you have never filled one out and filed it with the FLCA office, please do so and drop it off at the office. This will ensure that you get your pool cards in May. If you have UPDATES to this form (birth of a child, kids moving out, kids moving in, phone number change, new email address....) please fill out and bring by the office so we have the most updated and accurate information on our residents.

If you rent a home in Forest Lakes, you need to bring in your executed lease with this form. If the FLCA Office doesn't have a current lease on file, you will not be receiving pool cards.

NEVER FEAR, THE DMV IS HERE!

Don't seem to have time to get to the DMV? Dislike standing in long lines while you're there? Avoid it all – the DMV is coming to Forest Lakes! On Tuesday, February 12th from 1:00 – 6:00pm, the DMV will be at the North Pavilion. For all of the services they offer, please see the flyer in this newsletter!

The DMV will also be offering the new “REAL ID” service. To familiarize yourself with this, please go on the dmvNow.com website (Virginia) and read about REAL ID to understand why you need to get the upgrade. Drivers licenses and ID cards can be renewed 364 days BEFORE they expire which is important in calculating when you can upgrade to REAL ID. The documents that are required to upgrade are: 1) Official birth certificate from a state vital records department, (NOT the one from the hospital with footprints on the paper....) If you have changed your name as a result of marriage DMV will need the marriage license, not from the church but the official one issued by the clerk of courts. A valid passport with current legal name can take the place of birth certificate and marriage license 2) Proof of social security number- must be the actual card, a W-2, a 1099, or another official letter from SSA with the full SSN on the letter. A tax filling form such as a 1040 is not acceptable, it must come from SSA not something you send to the IRS. 3) Two proofs of address/residency, if address is correct on your driver's license or ID card that will count as proof. The second proof can be anything that comes in the mail with name and address on it.

SPRING BULK PICKUP AND SHRED DATES

Start planning now – clean out those closets, desk drawers and back yards and garages for the annual Bulk Pick Up and Shredding days! Shredding will be held at the North Pool parking lot on Friday, April 19th from 10:00am -2:00pm. Bulk pickup will be the following day, Saturday, April 20th. Further details will be in March's newsletter.

FOREST LAKES FARMERS MARKET – INTERESTED IN BECOMING A VENDOR?

If you or someone you know is interested in becoming a full or part time vendor at the Forest Lakes Farmers Market please contact the Market Manager, Alisa Wildman, at Forestlakesmarket@gmail.com or alisawildman@gmail.com to get a vendor application for the upcoming 2019 Forest Lakes Farmers Market season. We are a local, producer market, meaning items must be made, grown or produced by you the vendor. The market will be open each Tuesday, 4-7pm at Forest Lakes South Pool & Tennis parking lot on Ashwood Blvd. Our season begins April 23, 2019 and runs through October. We would love to have you join the market! Check us out at www.Facebook.com/Forestlakesfarmersmarket

LANDSCAPING INITIATIVES

There's a lot of forest in Forest Lakes! Over time, many of our trees, whether they have been planted purposefully or left to grow naturally, have become too big. Their roots upend our paths, their branches inhibit grass growth and create drainage issues. The FLCA is identifying areas around Forest Lakes where such problems exist and repairing them – this may entail tree removal or limbing up, drainage areas repaired or enhanced, seeding and matting, etc. Should this affect you as a resident directly, you will be notified. Thank you!

PETS....

We've said it before, and we must say it again. Residents – please pick up after your pets. Thank you to all of you who do. But for those of you who don't....please start. Now. This includes near any paths, far away from paths, in a field, near a field, you get the picture. ANYWHERE your dog goes, pick it up and dispose of properly. It's the considerate thing to do. It's the right thing to do. And EVERYONE thanks you!

February 2019

Dear Forest Lakes residents,

Tennis in February is the furthest thing from most people's minds—but not mine! If there is a break in the weather, I want to be out on the court.

My temperature guideline for winter tennis is 40 degrees. (You might be harder core than me.) Obviously, if there is standing snow or ice on the court, I'm not playing. (You shouldn't either.) But every so often there is a break in the cold and I want to take advantage. But most definitely, I am looking ahead to warm spring days.

Spring After School Junior Tennis

Speaking of Spring... the Forest Lakes After School Tennis clinics will begin on Monday, March 11. This will be an eight-week program, with a free week added for make-ups. (Nine weeks for the price of eight!) There is also a four-week option. Participants can opt in for one, two or three times per week. Forms are available on the Forest Lakes Community Association website, at the FLCA office, or at the Pro Shop. Call, text or email me to get more information.

"Swing into Spring" adult tennis clinics

The United States Tennis Association adult tennis leagues are on hiatus for the winter, and will resume in the spring. No doubt, the USTA leagues are very popular among the Forest Lakes tennis community. However, if you don't participate in USTA league tennis, don't be left out of the action! In February, I am introducing a "pilot program" for residents and their guests to "Swing into Spring." Swing into Spring will be a four-session course of hour-long lessons. These classes are designed to introduce the adult participants to the great sport of tennis. These lessons will also be a great way for former players to get back into the game.

The first session introduces the forehand groundstroke. The second focuses on the backhand. The third session zooms in on specialty shots, and the fourth lesson "puts it all together." I call it a "pilot program" as I want to see if there is a desire for non-USTA participation by "recreational players."

Groups will be put together in February, and I hope to expand the program in March, April and May. Call, text or email me for more information.

Attention High School Players!

Tryouts for the Albemarle High School tennis teams will be later this month. When the weather permits, I have been conducting, and will continue to conduct, evening and weekend workouts. Call, text or email me to get on the call list. Good luck!

How about a six-pack?

In between the snow and cold, there is tennis to be played. I am available for lessons by appointment throughout the winter. An hour-long private lesson is \$50. A six-pack of hour lessons is \$250. A half-hour lesson is \$30, and a six-pack of half-hour lessons is \$150. Call, text or email me to schedule a lesson.

The new Dunlop rackets are in!

I am an authorized Dunlop dealer, and their 2019 line of rackets are available. Come in and see the new rackets, and demo one. Remember I also offer restringing and regripping service. When the weather is ready, make sure you and your equipment are ready as well.

Thanks for your consideration and support.
