

Bookmobile in Forest Lakes

Calling all readers! The Jefferson-Madison Regional Library Bookmobile comes to Forest Lakes (North) twice each month, on the second and fourth Mondays, from 2:00 - 2:30 pm. It parks in the North Pool parking lot.

The Bookmobile has its own collection and carries 1500 to 2000 books to each stop. Generally, the Bookmobile carries fiction and nonfiction books and audiobooks for all ages. Included are mysteries, fantasy, biographies, cookbooks, history, gardening, and folk and fairy tales. Through the Bookmobile, you have access to the entire JMRL collection of materials. If there are specific titles you're interested in, we can bring them along. You can place your own holds on-line or just ask us and we'll take care of it for you.

If you have a library card already, you are all set. If you need to get a library card, we can take care of that on the Bookmobile, too. Books or other materials borrowed from the Bookmobile are checked out for one month and they can be renewed for a second month, if no one else is waiting for them. All materials from the Bookmobile can be returned to other JMRL branches and vice versa.

Our Library has offered continuous Bookmobile service since 1946. The current vehicle is just two years old and is accessible for all via a lift.

If you have any questions, contact Willow Gale at 434 973 7893 ext2 or willow@jmrl.org. Hope to see you soon!
