Dear Forest Lakes Residents,

It's hard to believe that our pools will be opening at the end of this month on May 25th! Preparations are being made for another great opening. The waterslide at the North Pool has been totally renovated—be ready for a fast ride! Pool cards should be arriving to all residents mid-May. Adults and rising 6th graders will get cards. Please be sure to go over all pool rules—and parents, go over them with your card-holding kids as well.

The North Tennis Courts have fresh material on them and are ready for play. Please be mindful of proper care before and after play on these courts. If you need instruction, Jim Labinski, our tennis pro, will be happy to 'show you the ropes'. Also, remember all courts are for tennis and pickleball play only. No other sports and no dogs please!

We are all looking forward to spending more time outside in the warmer weather. With more residents enjoying the outdoors, please drive safely through our community, observe posted speed limits and watch for children, walkers, cyclists, runners and pets.

Your Forest Lakes Board of Directors.

The mission of FLST is to provide a fun, team oriented summer activity. FLST is a competitive swim team whose goals are to develop a healthy competitive spirit, instill self-discipline, sportsmanship, team goals, spirit and friendship among the swim team members, and introduce swimmers to the year-round sport of swimming.

FLST has six swim meets (three home and three away) with other local teams in the JSL. Our season ends in July, with the JSL Championships at UVA on July 26 & 27, where all

"We have been on the swim team for several years and it is such a highlight for our family. Out of all the activities at Forest Lakes I think FLST brings the most families together. The Tropical Storms is a five week development program of the Forest Lakes Hurricanes Swim Team (FLST). It is designed to be an introduction to the competitive swim team. This program will provide the basics of competitive swim strokes. This program is not a substitute for swim lessons.

Tropical Storms are for children 4 years old and all new swimmers under 7 years old.

The program will introduce young swimmers to the swim team style of swimming and advance them to be able to swim at least 1 pool length (25 meters) of Freestyle and Backstroke. This 45-minute practice is intended to be an introduction to the swim team. The Tropical Storms goal is to encourage as many young swimmers to enjoy the swimming sport in a fun and friendly environment. Need to sell your home?

Hear what people are saying about Savage & Company!

I can't overstate how good Tara & her team are. She is not afraid to be honest when it comes to price and she is an advocate for her sellers through the whole process. Tara is the consummate professional and her extra touches make all the difference. I could not have been happier with my experience and would recommend her a hundred times over.

"The Savage Team are amongst the top Realtors in this area. Their knowledge of the Charlottesville marketplace is second to none. Their relationship with other realtors in town is also a big plus. I would use them again in a heartbeat. Great job! "

"The Savage team is incredible. They helped us buy and sell a home this year and did so in record time. From the professional photographer they brought in to take pictures to using their moving truck free of charge to their incredible work ethic, they are great. "

"Judy was an ideal realtor. She responded quickly when we decided to list our home. In the initial walk through she provided specific guidance on how to best present our home to buyers explaining the reasons behind her thinking. She was open to discussion if our thoughts differed from hers. The photographs of our home accurately portrayed our home to prospective buyers".

"The Savage Team did an excellent job of working through a sales process that required a fair amount of negotiating. They were very patient and pragmatic in their approach. They staged my empty home as needed and was definitely a large value add to my selling process. "

"Due to my career, we have moved around and sold several houses. We have never had someone work as hard for us to make the process work as The Savage Team."
