Dear Forest Lakes Residents,

As many of you know, there were several incidents last month of individuals throwing rocks at cars, mainly along Timberwood Boulevard near the entrance to the north pool and tennis courts. We want all residents to know that the FLCA takes all incidents such as this very, very seriously. We have been working extremely closely with the Albemarle County Police Department, which has the ultimate responsibility to take action regarding these acts of dangerous criminal vandalism.

Both the ACPD and FLCA office received many reports and tips regarding these incidents – all of which have proved to be helpful. We are optimistic that these reports will lead to the identification and possible prosecution of the offenders. Thank you to all of those in our community who reported tips with this particular case – both big and small. All have contributed to putting the puzzle pieces together.

We encourage all residents to report any criminal or suspect behavior directly to the ACPD and follow it up with a call to the FLCA office.

Sincerely,

Derek Duval

MARCH 2020

Dear Forest Lakes residents,

Can you believe it? Winter is almost over! Only a smidge of snow and a few cold days has resulted in a rather active winter on the courts of Forest Lakes. And it is only going to get better!

****The Spring After School Junior Program** will get going on March 9. There are one-, two- and three-times per week options. There are also four- and eight-week options. Please look over the information sheet in this newsletter and let me know if you have any questions. Space is limited so act quickly.

The program will start on the South Courts and continue there until the water is turned back on at North. I will alert all parents and players when this takes place.

A **"meet-the-pro"** event, and registration will take place on Saturday, March 7, 10:30-noon, at the South Courts. All Spring prospects are invited to come and meet me and hit a few balls. There is no charge, and some refreshments and snacks will be served. Let me know in advance if you're coming (so I can have an ample number of instructors/helpers on hand).

****USTA Leagues** will get underway in March as well. Home league matches will take up many courts and could disrupt your casual "walk on" play. The team captains and I will do our best to keep the Court Reservation Sheets up to date. Please be sure to respect the court reservation signs and use the Court Reservation Sheets prior to taking a court.

****Forest Lakes will host a Spring Tennis Social** on Saturday, March 14 at 9 am. This is in conjunction with **PATA** (the Piedmont Area Tennis Association), a local group that promotes adult and youth tennis in the area. Site will be determined. Pre-registration is required and can be done by contacting this link: <https://form.jotform.com/200545393542150>.

****Adult clinics and practices** have been well-attended during the winter and will continue. On Mondays, 6:30-8 pm, I do a "Game Improvers" clinic for 2.5 level players. On Tuesdays, 6:30-8 pm, I do an Advanced Women's Workout for 3.5 level players. On Wednesdays, 6-7:30, I do an Intermediate Women's Workout for 3.0 level players. On Thursdays, 6:30-8 pm, I do an Advanced Men's Workout.

I urge anyone wishing to play in these clinics to text me in advance to make sure it will be taking place, and where.

****After the junior program begins on March 9, the USTA team practices begin.** Mondays, 6:30-8 pm, I will conduct the 3.0 women's team practice. Tuesdays, 7:30-9 pm, I will conduct the 3.5 women's team practice. On Wednesdays, 6:30-8 pm, it will be the "Game Improvers." On Thursdays, the Advance Men's Workout will be conducted 7:30-9 pm.

****The North Courts will undergo their spring rejuvenation** sometime in March. Some 450-600 pounds of new clay court material will be applied. As always, please respect your Forest Lakes neighbors/fellow players and groom your court after you play. Sign up ahead of time and I might be able to water the court ahead of your court time.

****I have several very expensive water bottles in the lost and found** at the Pro Shop. If you think you may have left your Hydro Flask water bottle at the courts, stop by and reclaim it... before I sell it on eBay!

****Don't forget that the Forest Lakes Pro Shop** is your place to get new strings for your racket, new grips and over grips. I also carry Dunlop rackets. Demo one today!

See you on the courts!

The Tropical Storms is a five week development program of the Forest Lakes Hurricanes Swim Team (FLST). It is designed to be an introduction to the competitive swim team. This program will provide the basics of competitive swim strokes. This program is not a substitute for swim lessons.

Tropical Storms are for children 4 years old and all new swimmers under 7 years old.

2020 Census FAQ

What is the census?

The census is a count of every person who lives in the United States and its territories. It happens every 10 years. In early 2020, you will be asked to count everyone who lives in your home as of April 1. Responding to the 2020 Census is a chance to shape your future.

What's in it for me?

Your responses inform where over \$675 billion is distributed each year to communities nationwide for clinics, schools, roads, and more.

Census data gives community leaders vital information to make decisions about building community centers, opening businesses, and planning for the future.

Responding also fulfills your civic duty because it's mandated by the U.S. Constitution. The United States has counted its population every 10 years since 1790.

Your responses are used to redraw legislative districts and determine the number of seats your state has in the U.S. House of Representatives.

Is my information safe?

Your responses to the 2020 Census are safe, secure, and protected by federal law. Your answers can only be used to produce statistics. They cannot be used against you by any government agency or court in any way—not by the FBI, not by the CIA, not by the DHS, and not by ICE.

When can I respond to the census?

In early 2020, every household in America will receive a notice to complete the census online, by phone, or by mail. In May, the U.S. Census Bureau will begin following up in person with households that have yet to respond.

What will I be asked?

You will be asked a few simple questions, like age, sex, and the number of people who live in your home, including children.

What won't be asked?

The census will never ask for Social Security numbers, bank or credit card numbers, money or donations, or anything related to political parties.

Hear what people are saying about Savage & Company!

I can't overstate how good Tara & her team are. She is not afraid to be honest when it comes to price and she is an advocate for her sellers through the whole process. Tara is the consummate professional and her extra touches make all the difference. I could not have been happier with my experience and would recommend her a hundred times over.

"The Savage Team are amongst the top Realtors in this area. Their knowledge of the Charlottesville marketplace is second to none. Their relationship with other realtors in town is also a big plus. I would use them again in a heartbeat. Great job! "

"The Savage team is incredible. They helped us buy and sell a home this year and did so in record time. From the professional photographer they brought in to take pictures to using their moving truck free of charge to their incredible work ethic, they are great. "

"Judy was an ideal realtor. She responded quickly when we decided to list our home. In the initial walk through she provided specific guidance on how to best present our home to buyers explaining the reasons behind her thinking. She was open to discussion if our thoughts differed from hers. The photographs of our home accurately portrayed our home to prospective buyers".

"The Savage Team did an excellent job of working through a sales process that required a fair amount of negotiating. They were very patient and pragmatic in their approach. They staged my empty home as needed and was definitely a large value add to my selling process. "

"Due to my career, we have moved around and sold several houses. We have never had someone work as hard for us to make the process work as The Savage Team."
