DISCIPLINE PROCEDURES – FOREST LAKES POOLS

When a member or a member's guest is removed from the pool for disciplinary reasons, pool officials will take away the resident's membership card and will turn it into the FLCA management office along with an incident report by the next business day. Violators are immediately suspended indefinitely from the pool facilities until reinstated by FLCA management or the Board of Directors. Once the incident report is received, FLCA Management will notify the parents of those involved (if the offender is a juvenile) and inform them of the incident, sanctions, and reinstatement requirements if applicable. FLCA Management will also contact adult violators and notify them of any sanctions and requirements for reinstatement.

In an effort to deter and consistently address inappropriate behavior at our pools, the following sanctions are enforced:

- 1st removal – 1-day suspension from the pools
- 2nd removal – 1-week suspension from the pools
- 3rd removal – 1 month to remainder of pool season suspension from pool facilities depending on the severity of offense.

The above sanctions are guidelines only and nothing shall prevent FLCA Management or the Board of Directors from deviating from these guidelines should the circumstance warrant such deviation. (i.e. increase or decrease in severity).

DISCIPLINARY GUIDELINES FOR GUESTS:

- 1st removal – 1-month suspension
- 2nd removal – suspension from pool for remainder of pool season

FLCA Management will provide Pool Management with an active list of members and non-members whose privilege to use the pool facilities have been suspended, along the reinstatement date. Pool Management will enforce and post the list at its check-in stations or any other location deemed operationally necessary.

Pool Management will call 911 for any emergency (medical or behavior) that requires EMS/Police assistance and for any member/guest that refuses to leave the pool facilities after being ordered to do so by pool officials, FLCA management, or the Board of Directors.
