Dear Forest Lakes Residents,

The 2023 Budget process has begun. A draft budget has not been posted yet at this writing as it is still being worked on by the board of directors. As soon as a draft is approved, it will be published on the website. Public comments and questions will be welcomed either to the FLCA office or directly to the board of directors at any time during the budget process. At the October 26th board meeting, a community input session will be held from 6–7PM. You are not required to come for the full session— you can come and make your comment or ask questions and then leave. If you simply have a question or want more information about the process, please contact the FLCA office, as we do not expect to have time for general Q&A during this meeting. Budget board work-session will take place after community input. The final budget will be published on the website on November 1 and a hard copy will be available at the FLCA office.

Note: This process addresses the Forest Lakes Community Association only, which includes all homeowners. If you live in an attached home or townhouse governed by a sub-association and with separate fees, you need to contact your sub-association regarding its budget process.

Sincerely,

Your Forest Lakes Board of Directors

Jimmy Baranik, President

Todd McGee, Vice President, ARB Chair

Jane Keathley, Secretary

## DANCING WITH SMOVEY RINGS

We are welcoming back Smovey classes to Forest Lakes! Thursdays at the Poolhouse beginning on October 20th from 6:00-7:00pm. What are Smovey rings? Smovey rings were originally designed in Austria for people with neurological disorders such as Parkinson’s. Smovey rings are a swinging ring system. They consist of a spiral tube with 4 steel balls and a cushioned grip. Their weight is about 1 pound. The weight can be increased up to 10 pounds while swinging. The Smovey rings have multiple benefits: They provide a dynamic upper and lower workout, increase mobility, circulation, balance and coordination, strengthen muscles and stabilize the upper body and the spine. The swinging motion causes a vibration in the hands that stimulates the hand reflexologies, and it increases the Qi flow in the body. The Smovey rings have multiple benefits for all people and for all fitness levels and especially for people with neurological disorders such as Parkinson’s, MS, Alzheimer’s and Dementia. Join us for an hour of fun and gentle workout – the first class is FREE. We are limited to 8 participants. For registration and questions, please email Antje Waxman at [antjewaxman@gmail.com](mailto:antjewaxman@gmail.com). Hope to see you there!

# **FOREST LAKES TENNIS NEWS**

---

**October 2022**

## **“Autumn Leaves”**

Tennis players of Forest Lakes, you have to take advantage of the best weather of the year, and play as much as you can in October.

I hope that all the tennis players appreciate the improved performance of our new Clay Tech Courts at North. And they are about to get better, if that's even possible! In the latter part of September, we added material to several of the courts, and two of them were totally rejuvenated. They are playing great!

As I type this newsletter, I am listening to Cannonball Adderley's "Autumn Leaves". The title alone reminds me that leaves are going to be falling all over our precious tennis courts. NO PROBLEM! With a little patience, and the little green Aussie mat, your court can be cleared of the pesky leaves in minutes.

The Aussie mat does a great job of dragging the leaves off the court. Near the fence, shake out the Aussie mat of accumulated leaves. Repeat several times, and you're ready to play. Cross your fingers that the wind doesn't strike up and mess up your neat little leave piles. (It could happen.)

## **Fall After School Junior still has openings for your child!**

The Fall After School Junior Program is going strong, but there is still room for more children to participate. Especially welcomed are the youngest players at 4 o'clock.

There are one-, two- and three-time-a-week options. For more information, email me.

## **Sign up and use The Playtomic App for Court reservations**

There are still some players that are not reserving their courts. It's so easy. Make sure your chosen email and cell phone are registered through the FLCA office. Download the Playtomic App and you are good to go.

See you on the courts,

***Jim Labinski***

Director of Tennis/Forest Lakes Tennis Professional

Forest Lakes Trick or Treating will be as it always is – on **October 31<sup>st</sup>!** We have no “set” hours, but the DOORBELLS START RINGING around **5:30** and wrap up by **8:30 P.M.** Please remember (and remind your older **Ghosts and Goblins**) that Forest Lakes takes a no tolerance stance against trespassing and vandalism.

Make Halloween a fun and safe event for all!

"I am pleased to announce that I am back with Real Estate III where I began my real estate career more than 25 years ago. Some of you may remember that I served as the FLCA Secretary / Treasurer from 1990 to 2003. They used to call me "Miss Forest Lakes" and I've always been proud of that title.

I have served many happy clients over the years. With Real Estate III and the great support they provide, I will continue to offer the best service possible. I look forward to working with you to sell your Forest Lakes home. Here is a snapshot of recent sales, courtesy of CAAR, our local MLS"
