LIFEGUARDS NEEDED!

Do you have a responsible, reliable teen that needs a fun job this summer? Lifeguarding may be just the ticket. It's close, it's flexible, you're working in your neighborhood with kids you know and grew up with. How great is that? Douglas Aquatics is hiring and will arrange to have you certified. See the flyer/QR code in this newsletter.

2ND ANNUAL SUSTAINABILITY FAIR

The 2nd Annual Sustainability Fair will be held on Saturday, April 15th from 1-3pm at the Hollymead Pool parking lot. All Forest Lakes and Hollymead residents are invited to participate to learn more about water conservation, composting, recycling and other sustainability topics. In addition to displays, there will be environmentally-themed face painting, chair yoga, and singing by The Green Grannies. Please join us to learn more about sustainability at the residential level and why it matters.

SAVE A STAMP AND A TREE!

It's time to get outside and take care of your yards and houses. As mentioned before in this newsletter, there are many, many houses in Forest Lakes that need power washing. Is yours one? Schedule that now! Yards need sprucing, beds need mulching, bushes need trimming, mailbox posts need repairing and painting. The office staff does neighborhood inspections throughout the year and will send a letter to homeowners who are in violation of not keeping the outside of their home looking neat in appearance. Please, don't wait for a letter! Help us save a stamp and a tree or two! Thanks for helping Forest Lakes look its very best, all year round.

ARBOR LAKE PATH - PORTION STILL CLOSED

Many of you have noticed construction going on next to the North Pool – we're replacing and expanding the deck and what a project it has become! For some portion of the construction period, the path will have to be closed to allow for equipment and supplies to be brought in and for a construction safety zone. Thanks for your patience.

ALBEMARLE COUNTY 2044 COMPREHENSIVE PLAN—PAVILION, APRIL 11TH

The AC44 Comprehensive Plan Committee is hosting a community chat in Forest Lakes at the Pavilion on Tuesday, April 11th at 6pm. This forum will provide an opportunity for everyone to learn more about the goals of the comprehensive plan and provide feedback to the county. Forest Lakes resident Stefania Farmer who is a member of the AC44 working group will be hosting the meeting. This plan will set priorities and serve as a guide for future physical development of Albemarle County. This updated Comprehensive Plan is expected to be completed in 2024 and will establish a 20-year vision for Albemarle County. Come and express your views and get informed! See the flyer in this newsletter for more information.

FITNESS CENTER—AN IMPORTANT NOTE

Did you know that you must be 16 years of age to use the Forest Lakes Fitness Center without adult supervision? Parents, please make sure your teen is not entering the fitness center and “working out” unless they are 16 years old. The gym has become a hang-out for many middle schoolers who are entering the gym with their household card. The language they are using is offensive and sitting on the equipment while scrolling their phones crowds the weight room and makes it so others cannot comfortably use that space. The office staff is at the gym on random evenings to monitor the center. If cards are being used by those under 16, they may be deactivated. Kids under 12 are not allowed in the gym at all. No exceptions! Parents, thanks for helping us out! To read the complete Fitness Center Policy, please visit our website, www.forestlakes.net

POOL REGISTRATION/DIRECTORY REGISTRATION

Please make sure your most current family information is on file with the FLCA office (Child move out or back in? Had a new addition?). You may do this by filling out a new FLCA Resident Information Sheet. If you are leasing a home in Forest Lakes, we must have a current FLCA Resident Information Sheet on file for you as well as a CURRENT lease. If you have renewed your lease during the year, you need to provide proof to the office.

Would you like to be in the Forest Lakes Directory? If so, please fill out a Directory and E-News form and return it to the office.

Both forms can be found on our website, www.forestlakes.net, under “Community”.

SWIM LESSONS—REGISTRATION STARTS MAY 1

We have enlisted Central Virginia Swim Services to give morning group lessons to our residents this summer. Registration will be online through their website beginning May 1. Please see the flyer in this newsletter for details. Private evening lessons will be given by Kris Galione. You may reach Kris via email, beginning May 1st at krisgalione@gmail.com. Please call the FLCA office should you have questions!

FOREST LAKES

Tennis and Pickleball

NEWSLETTER *April 2023*

Spring program begins

The Forest Lakes After School Tennis program kicked off on March 20. The 9-week program is divided into three three-week trimesters. There are one-, two-, and three-times a week options.

The After School program started at the South Courts. Following a week off for Albemarle County Public School spring break, fingers crossed, the program will move over to the North Courts.

Information flyers are available at the Forest Lakes Community Association office, or online at the FLCA website.

Clay court update

Some of the tennis players “in the know” have taken advantage of the warm weather and the occasional rain to play on the clay courts over the winter.

The “real” clay court season will kick off during the first week of April. The water should be turned on and the new Fast-Dry material will be applied by the D & D Lawncare crew.

The renewal of the Clay Tech courts coincides with the After School Program returning to the North courts. Also, the various USTA league play begins in April. Most team matches consist of “five lines.” That means three doubles matches and two singles matches—five courts total! As a result, late afternoon and early evening court time will be tight. Be sure to book your court time on the Playtomic app and you won’t be disappointed. If you’re not on the player list you can’t use the app. Sign up by contacting the Forest Lakes Community Association office.

Don’t forget about open pickleball night!

Pickleballers are invited to join in the open pickleball night on Tuesdays from 7:30-9:30. No sign up required, come on out.

Forest Lakes high schoolers well represented on AHS teams

A lot of hard work and dedication has resulted in a host of Forest Lakes residents making the Albemarle High School tennis teams. In fact, two freshmen made the top six (varsity) this year. I will acknowledge these fine athletes, and others, that are making their mark on the AHS teams, in future newsletters. (I don’t want to jinx them midseason!)

In a related matter, April 14-16, ACAC will host the Charlottesville Area High Schools Clay Court Invitational. The events are singles and mixed doubles. To register, players/parents can call the ACAC front desk at 434.978.7529 or they can email tournament director Catherine DeSouza at catherined@acac.com. I’m hoping that the Forest Lakes high schoolers will continue to represent themselves and our community.

Men’s ladder springing up once again

Forest Lakes resident and tennis enthusiast, John Oliver, is announcing the return of the men’s singles ladder. John is looking for players of all levels to participate in (sometimes) friendly singles competition. Players need to be able to play two matches every two weeks. To sign up or to get more information, contact John at johndoliver@comcast.net.

Park politely!

If you park your car, SUV, or truck by the tennis courts, please park politely. This includes leaving enough room so that pedestrians using the sidewalks can easily get by your vehicle. Also, turn off your lights! Tennis players are blinded by the headlights when your vehicle is facing the courts.

See you on the courts!

In 2022, I graduated from Albemarle High School as captain of the swim team and a Scholastic All-American. I am currently a first-year student at Loyola University Maryland and a member of their Division I swimming and diving team. I am super excited to get to know this amazing community and have a lot of fun this summer!

Thank you and Go Hurricanes!
