

MEMBERSPLASH is our new pool entry system for 2024.

PLEASE NOTE:

- Every account is marked as “UNPAID”. This has nothing to do with your HOA dues – you don’t have to pay anything. Please ignore unless you are signing up for a Legacy or Nanny account.
- Only your household members who live with you can be registered. Any fraudulent entries will not be approved and your account will remain inactive.
- Every household member must have a close-up head shot. This is how you will be identified when you check into the pool. Make sure it looks like you! You do not need an app or a card to check-in.
- Once your account has been approved, you will not be able to add any members to your account without coming into the office.
- If you have any questions during this process, please contact the office. If you want us to do this for you, give us a call and make an appointment. We’ll be happy to help you!
